THE CIVIC DRONE.

Three or four men cannot make a town, ten or twelve cannot mold a city, and yet through innumerable towns and cities of this continent isolated and public spirited little groups are sliding away in a determined individual effort to make their civic homes bigger and better and more prosperous. Month after month, year after year, the workers labor with the whole hearted power of their enthusiastic convictions, and in the end their most earnest efforts are only too frequently baffled by the lethargy and stupidity of their own fellow citizens.

A man who neglects his business is an "idler," "a sluggard." A man who allows his home to tumble into decay is "a rascal" or "a sot," but a man who shirks his civic duty, shuns his civic obligations, slurs his civic authorities is—oh, well, some time the day may come when the civic drone shall be pilloried alongside the bankrupt and the vagrant, his faithful prototypes, his true compeers.—Town Development.

The readers of this paper will be pleased to learn that there is a latest and best medicine that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars to anyone who can fail to cure. Send for list of testimonials.

PECULIAR AFTER RESULTS OF GRIP THIS YEAR

Leaves Kidneys In Weakened Condition

Doctors in all parts of the country have been kept busy with the epidemic of grip which has visited so many homes. The symptoms of grip this year are often very distressing and leave the system in a run-down condition, particularly the kidneys which seem to suffer most, as almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Druggists report a large sale on Dr. Kilmer's Swamp Root, which so many people say soon heals and strengthens the kidneys after an attack of grip. Swamp Root is a great kidney, liver and bladder remedy, and, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who try it. Dr. Kilmer & Co., Binghamton, N. Y., offer to send a sample size bottle of Swamp Root, on receipt of ten cents, to every sufferer who requests it. A trial will convince any one who may be in need of it. Regular size bottles 50 cents and \$1.00. For sale at all druggists. Be sure to mention this paper.
